

**PARENT RELEASE FORM
FOR STUDENTS WITH
IEP/504**

I/We the parents/legal guardians of _____
desiring a Christian environment for our child understand the nature of the Griggs Online Program, and that it may not be possible to meet all special academic needs of our child. As the parent(s)/legal guardians, I/we am aware that Griggs International Academy teachers are facilitating courses by way of feedback and coaching, using set content developed for general education students. Due to limitations of online course delivery, teachers are not able to provide all required accommodations. Please check the following to show that you understand the role Griggs will have with your student.

_____ I understand that I need to submit a 504 or IEP for accommodation considerations.

_____ I understand that GIA teachers will make accommodations that fit within the Griggs Online delivery method when possible but are not required to do this by law.

_____ I understand that GIA does not have the services available that my student would have in a local public school.

I declare that I am the parent and/or legal guardian of the child listed above and that I am authorized to sign this document. The information I have provided is truthful and accurate to the best of my knowledge. If any provisions of this document should be invalid or unenforceable, the remaining provisions shall continue to be fully effective.

By signing this form, I declare that I have read and understand the contents of this form and agree to all the terms and conditions herein.
